

Make an ISS (International Space Station)

Try to use recyclable materials, and reuse items you already have around the house.

List of materials:

- ❖ 1 long cardboard tube e.g. Pringles tube
- ❖ 4 empty drinks cans/food tins
- ❖ 2 small cardboard tubes e.g. toilet roll tubes
- ❖ Handful of wooden sticks e.g. barbecue skewers
- ❖ Paper
- ❖ String/Elastic bands
- ❖ Sticky tape
